3 YEAR WARRANTY

ENERGY RATING A

PREMIUM PORTABLE UNITS

Comfee 'Premium Portable' air conditioning units are available in either 2.5kW or 3.5kW. The energy efficient units are easy to control via the MSMARTHOME APP. With a simple swipe, the units can be turned on/off and the appropriate mode and temperature selected.

VOICE AND APP CONTROL
All portable units can be controlled by the MSmartHome App and can be used with Alexa and Google Home voice commands.

ENERGY SAVING
The power consumption of the unit is equal to 0.5 W. This allows great energy savings.

SLEEP MODE FUNCTION
With a precise temperature control system, "sleep mode" creates an ideal climate in your room so you can wake up comfortable and fully refreshed.

EASY TO MOVE
The unit sits on easy glide castor wheels, making it easy to transport and move the unit into different rooms.

SELF EVAPORATING
The water collected is automatically evaporated, so there is no need to worry about emptying trays.

AUTOMATIC RESTART
In the event of a power failure, the unit restarts with the settings previously in use.

LED DISPLAY
The LED display shows the temperature of the unit and gives an indication of any errors, allowing for auto protection and self diagnosis.

24 HOUR TIMER
Use the 24 Hour/7 Day timer via the APP to control the portable unit.
